

HAWKEYE DOWNS

SHORTHORN SALE

- SEPTEMBER 24, 1954
- CEDAR RAPIDS, IOWA

WE INVITE YOU TO STOP IN - STUDY - and MAKE

an investment in money making Shorthorns at the Third HAWKEYE DOWNS SHORTHORN SALE at HAWKEYE DOWNS, Cedar Rapids, Iowa on Friday, September 24, 1954.

The main purpose of the Hawkeye Downs Shorthorn Sales each September and March is to make good Shorthorns available to the breeders and commercial cattlemen from our numerous breeders of good Shorthorns in roughly the 25 to 30 counties in the eastern and northeastern sections of Iowa.

Breeders in this area are not content to use just ordinary herd bulls. Please study the pedigrees and note the rich breeding. Other breeders in the area, who were not in a position to offer cattle just now, are equally insistent on top herd sires with the best of breeding.

In this sale our 20 consignors, who are practical farmers and cattlemen, offer:

- 19 Bulls, all dark colors, ranging in age from 21 months down to 12 months, so all are practically of serviceable age. They are the lowset, growthy kind so that breeders and commercial men alike can fill their needs.
- 31 Females, 12 of which will sell with calves at side and mostly rebred, 8 more to calve before New Years, 6 other bred females and 5 open heifers. These are the desirable kind with beautiful pedigrees. Don't overlook these quick profit females no matter where you live.
- 22 Shorthorn steer calves suitable for 4-H and FFA work in 1955 have been promised by eight breeders. These calves will be sold at the opening of the sale at 12:30 P. M. C. S. T. The Shorthorn breeders of eastern Iowa - Logan Urice, Vinton, secretary treasurer, are offering \$50 to the boy or girl owning and showing the Grand Champion Shorthorn steer at the 1955 All Iowa Fair with 4-H and FFA Club steers showing together for this prize. Also \$10. will be awarded to the Grand Champion Shorthorn steer in 4-H or FFA Club work at the 1955 county achievement shows providing said winners were purchased at this Hawkeye Downs sale. There will be a lot of good steers to make your selections from so we urge you to be on hand.

The consignors acting as consultants on this sale are: Erwin Fennern, E.W. Maurer and Wm. Wiebke.

THE SHOW: 9:30 A. M. C. S. T.

THE SALE: 12:30 P. M. C. S. T.

We invite not only residents of Iowa but also those from many other states to partake of this offering. This is an excellent time of year to ship these cattle into other territories and get them acclimated for spring.

EARL S. GIRTON, Sale Manager
Hawkeye Downs Shorthorn Sales.

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

GLADLON'S ROYAL LEADER - His sire is Edellyn Royal Leader 85th, which is a full brother to Edellyn Royal Leader 10th that sired so many winners for Ohio State University. Remember his grandsire was known as the "All American favorite." He certainly was the sire of many good cattle and this grandson should not be overlooked.

EDELLYN ROYAL LEADER 85TH - Bred at one of America's greatest Shorthorn nurseries. Calves by him bred in the Bond herd prove that he was a fine sire. He is full brother to Edellyn Royal Leader 10th that was a phenomenal sire at Ohio State University. Please note that lots 7 and 12 are by the 85th.

He not only has an outstanding pedigree but has a lot of quality to go with it. He will make a real bull for most any breeder. We will show him at a few fairs and he should go well. He is in good show and in breeding condition.

GLOSTER'S MASTERPIECE - Has been considered one of the leading sires in Iowa for the last few years. He saw heavy service in the Wiebke herd where many of his daughters were retained. Just a reminder! Scotland's world famous Shorthorn breeder, the late A. J. Marshall, Cruggleton, has remarked: "Never let your herd bull get farther than three generations from white if you wish to retain mellowness and feeding qualities in your cattle". The calf above: a first prize winner at the Iowa State Fair under Canada's famous breeder and judge, Wm. Dryden.

A study in some things desired in our herd bulls. Note the masculinity as shown by the burliness of head and neck, the boldness of eye. Also note the white, flat horn, the width of face, smoothness of shoulder, the smoothness of top and depth of flank. A prominent sire in days gone by.

EDELLYN ROYAL LEADER 29TH - Another fine bull used in Iowa and from the great Edellyn herd. Sired by the great sire: Edellyn Royal Leader. This bull has been in service in the Rasmussen herd. His son, Royal Leader 3d is the sire of lots 30 and 32, the grandsire of lot 16 and service sire with lot 27.

A snapshot of **Prince Willingdon** taken in pasture condition. Note the good head, eye, horns, and neck - all marks of a sire. Sire of lots 5 and 41 and service sire with lot 29.
